Thursday 9th March 2017

Dear Parents /Carers

We will be holding an Internet Awareness Workshop on Monday 20th March, we will be having 2 sessions at either 9am or 3pm. Both workshops will take place in the infant hall.

Please indicate on the slip below which session you will be able to attend.

The workshop will be focussed and run in line with the Internet safety assemblies your child will be having. It will be a fantastic opportunity to learn how to keep your child safe online, and give you the opportunity to ask any questions you may have. As you are aware internet awareness is of vital importance in our growing technological world, and we need to ensure our children are safe.

We hope to see you there
