Dear Parent/Carer

Young Carers Club

We are starting a Young Carers club in school for children who care for a family member or friend with an illness or disability, mental health condition or an addiction. This is to provide a support network for the children where they will have the opportunity to do a range of activities.

If you feel that your child would benefit from joining a club with other young carers, please complete and return the slip below.

Kind regards,

Anne-Marie Leighton
