

## Home Learning Timetable

This is (roughly) the timetable that we follow in school on a daily basis. In a time of uncertainty such as this, it is especially important for children to keep a routine. You may already have written your timetable together, or thought of a way to structure your day, but if not, here is our suggestion for a daily timetable.

8am-9am	Getting dressed / breakfast time
9am-9:45am	Joe Wicks PE (see school website)
9:45am – 10am	Learning break
10am – 10:15	Phonics/spelling
10:15am -10:45am	Reading & reading journals
10:45am – 11am	Snack time
11am – 12pm	English
12pm – 1pm	Lunch time and free time
1pm – 1:15pm	Times-tables (mathletics/topmarks – see website)
1:15pm – 2:15pm	Maths
2:15 – 3:30	<u>Creative afternoons</u> -Arts and crafts -Music -Science

We have put lots of resources to support home learning on our website, under the new tab 'Home Learning'. Please use the resources there, and keep checking back, as we are updating regularly!

We hope you are all keeping well and staying safe.
