

## Letter to the children of Deptford Park Primary School

31<sup>st</sup> March 2020

Hello everyone! We hope that you and your families are well, and that you are staying safe.

While you have been busy completing your home learning packs, we have been planning for the work you will do when you return to virtual school after your Easter break! (Monday 20<sup>th</sup> April 2020)

Your teachers will be setting work for you to do via Mathletics and Bug Club (Active Learn) every day in term time. They will be able to see who has completed their work, give feedback, and set new work. Please try to complete the work set while you are learning from home. On the school website, under 'Home Learning' and your year group, you will find a link to a suggested daily timetable. It is very much like your day at school!

We have added loads of useful links and resources for other home learning to our website. Some of the websites will require you to sign up, but everything suggested is absolutely free! Don't forget, your passwords for Mathletics, Bug Club and Reading Eggs are stuck in your Reading Journals.

If you do not have access to the internet, please ask one of your grown-ups to 'phone the school office between 9am and 3:30pm to let us know, and we will make other arrangements for you to do your work.

We know that these are worrying times for many of you, but keeping in a routine and practising mindfulness will really help! Please also make sure that you take the weekends as proper breaks – you don't need to do any homework.

We will keep in touch with you regularly – stay safe!

Ken, Leona, Anne-Marie, Carol & Rebecca B 😊
