

A Tiny Seed Was Sleeping

A tiny seed was sleeping, underneath the ground,
A tiny seed was sleeping, underneath the ground,
And the rain came, drip, drop, and the sun shone
down.

A little shoot came peeping, out of the seed,
A little shoot came peeping, out of the seed,
And the rain came, drip, drop, and the sun shone
down.

It grew up into leaves of green, swaying in the
breeze,
It grew up into leaves of green, swaying in the
breeze,
And the rain came, drip, drop, and the sun shone
down.

And from the leaves there grew a flower, yellow
and bright,
And from the leaves there grew a flower, yellow
and bright,
And the rain came, drip, drop, and the sun shone
down.

Spring in my toes

I've got a spring in my toes,
I've got a spring in my toes,
I've got a spring in my toes,
I'm *skipping* along, singing a song,
I've got a spring in my toes.

I've got a spring in my toes,
I've got a spring in my toes,
I've got a spring in my toes,
I'm *running* along, singing a song,
I've got a spring in my toes.

I've got a spring in my toes,
I've got a spring in my toes,
I've got a spring in my toes,
I'm *jumping* along, singing a song,
I've got a spring in my toes.

Spring Fever!

There is something in the air,
I can feel it everywhere,
And you must feel it too.
Life is buzzing all around,
Overhead and underground,
And the world is fresh and new.
It's spring in the air - out there
for me and for you!
It's that spring fever,
It's that spring fever,
It's that spring fever,
It's that spring fever getting to you.

(Repeat!)

Spring Chicken

One mother hen sat on 4 little eggs,
Keeping them warm in her little egg nest,
Then one day she heard a CRACK!
And a little voice said, as the egg was hatched...
I'm a spring chicken,
I'm yellow and small,
My feathers are fluffy and they're keeping me warm,
My legs are not long so I'll never be tall,
But I'm a real spring chicken and I'm having a ball
Chicken, I'm a chicken, I'm a having a ball!

One mother hen sat on 3 little eggs,
Keeping them warm in her little egg nest,
Then one day she fell asleep,
And a little voice said in a whispered tweet...

Chorus

One mother hen sat on 2 little eggs,
Keeping them warm in her little egg nest,
Then one day she moved about,
And a little voice said as a chick popped out...

Chorus

One mother hen sat on 1 little egg,
Keeping it warm in her little egg nest,
Then one day she gave a sigh,
And a little voice said, Surprise! Surprise!
