Meet Merry the Postal Elf; who, though lacking in Christmas Spirit this year, is out delivering post as usual to the local Elves of Folkestone Gardens.

There's Yule Log - the wacky baker getting his concoctions ready for the Great Elfish Bake Off; Baubelina the spritely decoration Elf always ready to add baubles, tinsel and fairy to any unsuspecting item; Nutty the Toy Elf who lives on the playground and is obsessed with toys and Carole, who runs the local bell choir. But the Elves have had their fair share of problems this year. They need *\*your\** help to get Christmas back on track...and hopefully find Merry's Christmas spirit along the way!

Get your hats and scarves on and join Merry and the gang for an unforgettable fun-filled adventure!

Limited numbers for social distancing
