To all year 2 parents

Free School Meals

As you may already be aware from September 2014 the Government announced that Reception, Year 1 and Year 2, in a state-funded school, will be offered a free school lunch.

As your child will soon be going into Year 3 this will stop and we feel this is a good opportunity for all year 2 parents to apply for free School Meals, to see if you qualify. Even if you provide a packed lunch for your child there may be odd occasions that your child will require a school meal with no cost you.

To apply follow the link below and complete the online form.

Yours Sincerely,

Cheryl Regan
Clerical Officer

How to apply
