

# Deptford Park Primary School CLUBS

Here is a list of the exciting range of school clubs we are offering in our Autumn term.

If your child is interested in taking part in one of the clubs listed, please follow the link that will be sent to you by text message on Wednesday morning.

Only select a club for your child's year group as the clubs have been aimed specifically at certain Key Stages or Year Groups.

In order that clubs can start when planned we are asking for your club selections to be made by Thursday 4<sup>th</sup> November 2pm. Clubs will be allocated on first come first serve basis.

**Clubs taking place after school will run from 3.20pm – 4.20pm – children must be collected on time.**

We will write to confirm if your child has been successful.

***The online forms will go live Wednesday morning!!!!!!***

Deputy Head: Leona Baffour

## Lunch Time and After School Clubs

### Multi-Sport – Tuesday, Wednesday, Thursday Lunchtime – Football Pitch

This lunchtime club is based around fun! Throughout the year, the children get the opportunity to play a variety of sports during their lunchtime including: Basketball, athletics, cricket, football and tennis.  
Coach Asone

### Mindful Movement and Mindfulness - Tuesday after school

This club will focus on practising the skills of wellbeing. We will learn some simple yoga and qi gong routines to move mindfully to relaxing music. We will also practise other forms of mindfulness, including mindful breathing, which can train attention, improve memory and help us regulate our emotions.  
Ivonna

### Kids Vogue Stars – Street Dance – Tuesdays, Wednesdays after school – Performing Arts Studio

**Office:** 07583581517  
**Email:** [info@kidsvoquestars.co.uk](mailto:info@kidsvoquestars.co.uk)  
**Website:** [www.kidsvoquestars.co.uk](http://www.kidsvoquestars.co.uk)

KVS Street Dance Classes focus on the commercial dance. Students will learn to dance like their favourite artists. Strong emphasis is placed on rhythm and performance. We cover a diverse range of material in this class and the children will no doubt be dancing to their favourite party tunes!  
Sade

### Millwall Football Club – Tuesdays, Thursday after school – Football Pitch

Millwall Football club send one of their coaches to run this after school club. The children learn the rules and football skills.

### Digital Leaders – Tuesday after school

A Digital Leader will be a digital role model for the rest of their class and the school. You will learn about:

- Coding (provided by codeclub.org)
- E-Safety
- ICT skills (including iPads)
- Leadership skill (with peer to peer teaching)
- FAQ asked by the teachers and how to solve them

You will also be in charge of helping the teachers with their ICT/Computing and looking after the technology around the school.

Mark B

### Green Team – Wednesday lunch time

Making our school environment a greener place to be! We will be looking at growing and looking after plants, taking care of the environment and making it a greener, cleaner space to work and play.

John

### History/Craft – Wednesday after school

Join us to make a special celebration or memory book linking craft work with your own history. Learn a book making technique and get to use special craft equipment. This is a Year 3 only club and a time to chat with friends over a craft activity.  
Rachel

### Violin – Wednesday lunch time

Last year, the children currently in Year 4 worked with 2 young musicians, who played the violin and the cello. They also had one violin lesson during our music week, which many of them enjoyed. Learning an instrument has many benefits, and this is a unique opportunity for the children in Year 4 to start learning the violin and enjoy playing and performing in groups.

Rebecca O

#### British Sign Language – Wednesday after school

BSL is fun, useful and gives you access to a whole new community and culture you may otherwise not be able to communicate with. In our weekly club, we will aim to raise awareness of Deaf culture and British Sign Language to create a more inclusive world for everyone! We will use our newly learned signs to have conversations, sing and sign songs and play games. I look forward to seeing you there!

Rebecca D

#### Chess Club — Thursday lunch time

In chess club the children will be given coaching to improve their tactics and play. They will get to play games against other children every week. It is a great way of extending the Chess lessons provided by the school in Year 4.

Paul

#### KS2 Choir – Thursday lunch time – Performing Arts Studio

The choir meet weekly to learn new songs, which we perform at various events in Lewisham throughout the year. In December, we perform at Blackheath Halls in the Turning of the Year concert, and there is always a grand finale in the summer, every other year at the Royal spots Festival Hall.

Practicing together to perform in these amazing venues fosters team work, and teaches performance skills.

There are so many benefits of singing, so why not join!

Rebecca O

#### Sci-Fi Club – Thursdays after school – Computing Suite

Sci-Fi Club is a where you come to learn and discuss all things Science Fiction for the last 60 years, from the classic TV show Doctor Who to the big screen with Star Wars & E.T. and everything in-between, there might even be a biscuit in it for you!

We will be watching only U and PG certificated content and all content will be checked prior to the club session.

Mark B

#### French – Friday lunch time

Salut! French Club

This is your chance to improve your conversational French, through board games, songs and interactive lessons. The interactive games and listening to French speakers to practise their pronunciation, will take place in our new language lab. We will have French traditional board games too with team skills and conversational French.

Pete & Natalie
