

Christmas Packages

We have been working closely with a local company called The Blue Borough Project, which is an organisation dedicated to helping families in Lewisham.

As the festive season approaches they would like to contribute some essentials, this will include:

Whole chicken
Seasonal vegetables
Food supplies (tins, pasta and more)

We understand that this can be a difficult time for many families, if this is an offer that you would like to be considered for please call the school no later than Monday 13th December, so we can organise times for collections etc.
