Dear Parent/Carer

RE: School Meal Price Increase from 5th September 2022

As part of the school's review of all fees and charges for school meals, we will be increasing the cost of School Meals from £2.25 to **£2.40** per meal with effect from Monday 5th September 2022.

The increase has been designed to cover the cost of food price inflation over the current and forthcoming year. Meals will continue to provide all of the Government nutritional requirements of a school meal and an extremely high level of quality catering from experienced and qualified chefs so continues to provide very good value for money.

If you are in receipt of Free School Meals your entitlement will continue unless your circumstances change. You can apply for Free School Meals in the following ways.
