Deptford Park Primary School

Topic Map

Year 3

Spring Term

Topic:

Stone Age to Iron
Age/Pure Fiction

**PE:**

This term we will be learning skills in:

Gymnastics, Dance, Tennis and looking at health and Fitness.

Art:

This term we will be learning about painting.

We will be developing different techniques and looking at the paintings of, among others, Georges Seurat.

DT:

This term we will be learning about textiles, and making links to what people wore during the Bronze Age. We will also be looking at electronics, which will help us to understand some of our learning about light.

Science:

Spring 1: We will be learning about different kinds of rocks, how they are formed and where they come from.

Spring 2: Light: We will be exploring how light travels and how shadows are made by the absence of light.

History

We are finding out about the Bronze age, and the transition between Bronze and Iron ages

Skills:

Researching and presenting evidence of lifestyles, technologies and agriculture in pre-historic communities across Britain, and looking at the travel of people in the Bronze Age, where they travelled to and from.

Geography:

What is in a Region?

We will be learning about the differences between Urban and rural areas as well as developing our map skills.

Computing:

Content creation.

We will be learning about how different online content is made, such as vlogs.
