Dear Parents,

Upholding the Race Equality Pledge in Lewisham

We are now repeating our surveys in school two years after the initial survey and Lewisham have introduced a parent baseline survey to identify the impact of our work to Tackle Race Inequality In our schools.

The survey is **now live until the end of term**, and we need as many parent responses in that time as possible. Responses will be stored securely and results reported in the aggregate, rather than in terms of individual schools.
